VINTAGE 2021 • MONTEREY, CALIFORNIA

91 POINTS WINE ENTHUSIAST

*ooh-la-la!*

This wine was made in the same method as traditional Champagne from France.

*and prost!*

100% Grüner Veltliner, and grown in a single vineyard site near the Pacific Ocean. The finest sparkling wines of Vienna have been made from Grüner for centuries, and winemaker Julian Halasz's family have cultivated it for generations.

### *tasting note*

The 2021 impresses with an energetic jet of pin-point tiny bubbles, creating a creamy mousse. It's fragrance is quite classic: lemon pith and a hint of orange blossom. This vintage's charismatic palate goes further, suggesting jicama, celery stalk, soda bread and lime, with a great deal of minerality that extends through the finish. Expect an acidity so high and bright, it prickles.
