VINTAGE 2020

90 POINTS
WINE ENTHUSIAST

Bing's Barn is nod to our local history, particularly the colorful local legends that surround our iconic purple barn, notably Bing Crosby and boxer Max Baer. The style of this wine also celebrates the Livermore tradition of making Cabs with a small percentage of Petite Sirah. At our winery, these two varietals are grown together as a field blend: you can find the Petite at the foot of the sun-tortured slopes of Clone 30 Cabernet Sauvignon, surrounding the barn.

100% estate grown, bottled and produced. The Kent family's gentle attention to detail matches perfectly with the master winemaking of Julian Halasz.

TASTING NOTE

Aromas of dried black cherry, fruit leather, licorice and mulling spice curl up from the glass, hinting at the wine's depth and tannic character. When sipped, the body has a fine grain character to it, and acidity to match. Spicy tannins cling to your gums, and there's a hint of sarsaparilla on the finish.

BING'S BARN

CABERNET SAUVIGNON 2020

LIVERMORE VALLEY, CALIFORNIA

The steep slopes above our whimsical purple barn are perfect for growing Clone 30 Cabernet Sauvignon, one of California's most distinctive heritage grapes. In our Bing's Barn Cab, we colorfully marry fruit from the intensely inky Petite Sirah vineyard at the base of the hill, a local recipe for making bold Cabs that holds true to our region's wine pioneer history.

100% estate grown, bottled and produced. The Kent family's gentle attention to detail matches perfectly with the master winemaking of Julian Halasz.

WINEMAKER'S NOTE BY JULIAN HALASZ

Aromas of blackberry, black currant, plum and fig deepen to cocoa and hints of cedar on the juicy, fruit-driven palate. Ample, soft, round tannins, this wine features an impressive midpalate with fruit intensity and subtle oak. A lingering finish hints of cocoa and hazelnut.

TASTING NOTE

This wine comes from a small block of vines on the sun-baked slope planted to Clone 30, a varietal that can take the heat. You'll find aromas of rum raisin, juicy black cherry, and hints of thyme and burnt ends. On the palate, the fruit flavors move towards fresh blackberry, joined by tobacco leaf, cinnamon raisin bread, and vanilla bean husk with a meaty finish. Its strong backbone of acidity and puckery tannins suggest that this wine will age beautifully.
