

CROWN BLOCK PETIT VERDOT

2022 VINTAGE, 100% ESTATE GROWN,
LIVERMORE VALLEY, CALIFORNIA

Our Crown Block Petit Verdot has won a double gold or higher award for three straight years in a row from the San Francisco Chronicle Wine Competition. Its charm is undeniable, and our club members know well that this wine sells out upon release.

TASTING NOTE

Rich aromas of fig, rose potpourri, star anise, chocolate ganache and perfectly ripe plums lead into flavors of cherry cordial, mulling spice, and sweet cedar. Petit Verdot is famed for its depth of color, tannins, and incense character, which it has long imparted to the most legendary wines of Bordeaux. Standing here in its own right, this wine's thick body, core of acidity and strong grip of tannins impresses. Cellar through the decade, and continue to watch this wine evolve in fascinating and expressive ways.
