Loyal to the SOIL CABERNET SAUVIGNON

2020 PEPPERTREE VINEYARD
LIVERMORE VALLEY

The thin soils of the Livermore Valley Highlands aren't the easiest to grow in. Our Clone 30 Cabernet vines - perfectly suited to this region - push themselves to make delicious, well-concentrated fruit while we, the winegrowers and makers, become lifelong learners and loyalists.

tasting note

A brilliant purple hue in the glass leads to a fresh ruby rim, reminding us that we eat with our eyes too. Macerated blueberries, blackberries, plums and a bundle of savory herbs create one hell of an aroma bomb. The palate is plush and soft tannins make this easy to drink in its youth. The spice nature of the wine further develops into cherrywood, thyme, tobacco, and cinnamon as you swirl the glass.
