

WINE WITHOUT BORDERS

ROSÉ OF GRENACHE 2023

LIVERMORE VALLEY, SAN FRANCISCO BAY

MEDECINS SANS FRONTIERES
DOCTORS WITHOUT BORDERS

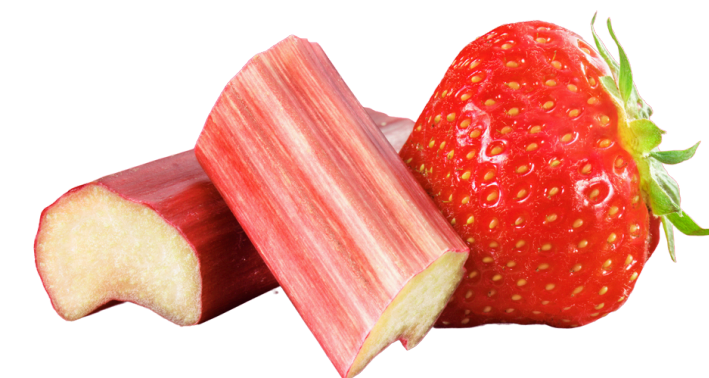

Proceeds from each bottle sold go to relief efforts in Ukraine and neighboring countries, via Doctors Without Borders.

Redolent of big Golden Queen peaches and apricots. Strawberry aromas and flavors play throughout, moving toward a strawberry rhubarb finish on the bone-dry palate.

93 POINTS, EDITOR'S CHOICE

WINE ENTHUSIAST

TRISKA VINEYARD PINOT NOIR 2022

LIVERMORE VALLEY, CALIFORNIA

Bing cherry and plum skin intermingle with peppery geranium, celery seed, marjoram, thyme and sage. On the palate, a delicate screen of tannins leaves an impression of spice through the finish.

Wine Spectator

BING'S BARN

SINGLE VINEYARD CABERNET SAUVIGNON
VINTAGE 2020

Dried black cherry, fruit leather, licorice and mulling spice curl up from the glass. Spicy tannins cling to your gums, and there's a hint of sarsaparilla on the finish.

This wine could be considered a field blend- it contains 15% Petite Sirah from the same vineyard, which makes it dark and inky!

EAST HILL CABERNET SAUVIGNON 2021

LIVERMORE VALLEY, CALIFORNIA

Blackberry, spicy tamarind and dark chocolate ganache mix with a touch of sagebrush, lilac and silver mint. Equal parts high acidity, piquant tannins and velvety body, with a lingering savory finish.

GOLD

*Alameda County Fair
Wine Competition 2024*

two years in a row!

Several of the release wines have yet to be submitted to The San Francisco Chronicle Wine Competition...

Fingers crossed that we'll continue to win awards!
(We're feeling optimistic!)

Triska Vineyard Chardonnay 2022 - Best of Class

CONGRATULATIONS!

🌿 90 PTS 🌿 Wine Spectator

The Wine Spectator, one of the most prestigious journals in the industry, has long ignored Livermore as a growing region.

This is a great step for the whole valley, and amazing recognition and validation for how Darcie Kent is pioneering cool climate varietals in our cool climate growing sites.

LIVERMORE IS NOT A HOT PLACE TO GROW WINE!
