

WINE WITHOUT BORDERS

ROSÉ OF GRENACHE 2023

PEPPERTREE VINEYARD. SAN FRANCISCO BAY

EXPAND YOUR HORIZONS

Wine Without Borders strives to grow the world's most interesting wines, despite these varietals not being household names.

This rosé was grown and hand harvested from the Kent family's head-pruned Peppertree Vineyard. Just as a Provençal vineyard would experience both warm sunshine and the bracing Mistral winds, Peppertree Vineyard experiences ample sun and the famous winds that power the historic Altamont wind farms, visible on the foothills above the vineyard.

The Kent family's gentle attention to detail in the vineyard matches perfectly with Julian Halasz's masterful touch in the cellar: our approach embodies true-to-terroir winemaking.

GIVE BACK

Since 2021, all Wine Without Borders wines have given back to Doctors Without Borders' relief efforts in Ukraine.

WINEMAKER'S NOTE

The 2023 is redolent of big Golden Queen peaches, Golden Dew melon, and apricots. Strawberry aromas and flavors play throughout, moving toward a strawberry rhubarb finish on the bone-dry palate.
