

WINE WITHOUT BORDERS

ROSÉ OF GRENACHE

2022 PEPPERTREE VINEYARD
SAN FRANCISCO BAY

EXPAND YOUR HORIZONS

Wine Without Borders strives to grow the world's most interesting wines, despite these varietals not being household names.

This rosé was grown and hand harvested from the Kent family's head-pruned Peppertree Vineyard. Just as a Provençal vineyard would experience both warm sunshine and the bracing Mistral winds, Peppertree Vineyard experiences ample sun and the famous winds that power the historic Altamont wind farms, visible on the foothills above the vineyard.

The Kent family's gentle attention to detail in the vineyard, combined with Julian Halasz's masterful winemaking, creates a wine that reflects our true-to-terroir winemaking philosophy.

WINEMAKER'S NOTE

Very fragrant. Luscious aromas of fresh raspberry, dried grass and cherry blossom are complemented by a delicately balanced palate, and flavors of strawberry, lemon zest, and dried redcurrant.
